## FIM Road Racing World Championship Grand Prix Postponement of the Grand Prix of Japan

The recent vulcano eruption in Iceland has resulted in an ash cloud cover infiltration. Air traffic space over Europe has stopped all international travel in and out of Europe.

This case of 'force majeure' has obliged the Grand Prix Permanent Bureau composed of the FIM President Vito Ippolito and Dorna C.E.O. Carmelo Ezpeleta, with the agreement of the Grand Prix Promoter, Mobilityland Corporation, to postpone the Grand Prix of Japan planned on 25 April 2010.

The Grand Prix Permanent Bureau proposed equally to the FIM to reschedule the Grand Prix of Japan on 3 October 2010.

### About the FIM ([www.fim-live.com](http://www.fim-live.com))

The FIM (Fédération Internationale de Motocyclisme) founded in 1904, is the world governing body for motorcycle sport and is an independent association formed by 101 National Federations throughout the world. It is recognised as the sole competent authority in motorcycle sport by the International Olympic Committee (IOC). Among its 49 FIM World Championships the main events are MotoGP, Superbike, Endurance, Motocross, Supercross, Trial, Enduro and Speedway. The FIM also deals with non-sporting matters such as leisure motorcycling, mobility, transport, road safety, public policy and the environment. The FIM was the first International Sporting Federation to enforce an Environmental Code in 1994.
